- 2008 – 2009 “*Libera Università Internazionale degli Studi Sociali (LUISS) – Guido Carli*”, Undergraduate Degree in Economics and Finance, Teaching Assistant: Behavioral Economics and Game Theory (Prof. Massimo Egidi).
- 2007 – 2008 “*Libera Università Internazionale degli Studi Sociali (LUISS) – Guido Carli*”, Undergraduate Degree in Economics, Teaching Assistant: Statistics (Prof. Tommaso Proietti).
- 2006 – 2007 *University of Rome “Tor Vergata”*, Undergraduate Degree in Economics, Teaching Assistant: Introduction to Econometrics – Regression with STATA (Prof. Franco Peracchi).
- 2005 – 2006 *University of Rome “Tor Vergata”*, Undergraduate Degree in Economics, Teaching Assistant: Introduction to Econometrics – Regression with STATA (Prof. Franco Peracchi).
- 2004 – 2005 *University of Rome “Tor Vergata”*, Master degree in Economics (in English), Teaching Assistant: Nonparametric Methods (Prof. Simone Borra).
-

OTHER PROFESSIONAL ACTIVITIES

Referee for *Journal of the Royal Statistical Society. Health Economics, Empirical Economics, Statistical Methods and Applications, LABOUR*

RESEARCH

MAIN RESEARCH INTERESTS

Theoretical and Applied Econometrics.

Health Economics.

Labor Economics.

CURRENT RESEARCH

Identification and inference of discrete choice models.

Dynamic panel data models.

Econometric methods in Experimental Economics.

Behavioral microsimulation of labor supply models.

Measurement and Evaluation of Academic Research Performance.

PUBLICATIONS

ARTICLES IN REFEREED JOURNALS

1. “The heterogeneous thresholds ordered response model: Identification and inference”, with Franco Peracchi, *Journal of the Royal Statistical Society – Series A*, forthcoming.
2. “Heterogeneity in health responses and anchoring vignettes”, with Franco Peracchi, *Empirical Economics*, 42:2 (2012), 513–538.
3. “The determinants of teacher mobility: Evidence using Italian teachers’ transfer applications”, with Gianna Barbieri and Paolo Sestito, *Economics of Education Review*, 30 (2011), 1430–1444.
4. “Drug compliance, co-payment and health outcomes: Evidence from a panel of Italian patients”, with Vincenzo Atella, Franco Peracchi, and Domenico De Palo, *Health Economics*, 15 (2006), 875–892.

WORKING PAPERS

1. “In-Work Benefits for Married Couples: An Ex-Ante Evaluation of EITC and WTC Policies in Italy”, with Giuseppe De Luca and Daniela Vuri, *IZA Discussion Paper* No. 6739.
2. “The determinants of teacher mobility. Evidence from a panel of Italian teachers”, with Gianna Barbieri and Paolo Sestito, *Bank of Italy Discussion Themes*, 2010, No. 761.
3. “Gender and regional differences in self-rated health in Europe”, with Franco Peracchi, *CEIS Working Paper* No. 142.

OTHER PUBLICATIONS

1. “Mobilità geografica e professionale dei docenti italiani”, with Gianna Barbieri and Piero Esposito, in G. De Simone et al. (eds.), *Rapporto sulla scuola in Italia 2009*, Editori Laterza, Rome, 2009.

2. "Sampling design and weighting strategies in the second wave of SHARE", with Giuseppe De Luca, in Axel Börsch-Supan et al. (eds.), *First Results from the Survey of Health, Ageing and Retirement in Europe (2004–2007) - Starting the Longitudinal Dimension*, 333–338, MEA, Mannheim, 2008.
 3. "Il secondo programma di auto-valutazione dei CLM 2007-2008. Il progetto, il questionario e le prime riflessioni", with Andrea Lenzi, Sabrina Luccarini, and Roberto Dandi, in Luigi Frati et al. (eds.), *Quaderni delle Conferenze Permanenti delle Facoltà di Medicina e Chirurgia*, UNIVPM, Ancona, 40–41 (2007), 1732–1736.
-

SELECTED CONFERENCE AND SEMINAR PRESENTATIONS

- 2011 *4th Italian Congress of Econometrics and Empirical Economics (ICEEE)* – Pisa, Italy, January 19-21. Presented paper: "The heterogeneous thresholds ordered response model: Identification and inference".
- 2009 *Bank of Italy and INVALSI Workshop on "Measurement and analysis of the Italian School System's performance"* – Bank of Italy, Rome, Italy, March 6. Presented paper: "The determinants of teachers' mobility. Evidence from a panel of Italian teachers".
- 2009 *3rd Italian Congress of Econometrics and Empirical Economics (ICEEE)* – Ancona, Italy, January 30-31. Presented paper: "Gender and regional differences in self-rated health in Europe".
- 2008 *Institute for the Development of Vocational Training for Workers (Istituto per lo Sviluppo della Formazione Professionale dei Lavoratori - ISFOL) Debates on Evaluation ("IDEA" Seminars)* – Rome, Italy, December 18-19. Seminar title: "Simulation Methods for Discrete Choice Models".
- 2008 *VII Labour Economics Workshop "Brucchi Luchino"* – Bologna, Italy, December 11-12. Presented paper: "The determinants of teachers' mobility. Evidence from a panel of Italian teachers".
- 2008 *23rd Annual Congress of the European Economic Association (EEA)* – Milan, Italy, August 27-31. Presented paper: "Gender and regional differences in self-rated health in Europe".
- 2008 *Survey of Health, Ageing and Retirement in Europe (SHARE) Meeting* – Delft, the Netherlands, April 29. Presented paper: "Gender and regional differences in self-rated health in Europe".
- 2007 *CentER Econometrics and Statistics Seminars* – Tilburg University, Tilburg, the Netherlands, December 19. Presented paper: 'A dynamic factor model of health and medical treatment'.

2006 *Institute for Studies and Economic Analysis (Istituto di Studi e Analisi Economica - ISAE)* – Rome, Italy, March 29. Seminar title: “Nonparametric methods with Stata”.

2005 *Fourteenth European Workshop on Econometrics and Health Economics* – Dublin, Ireland, September 14-17. Presented paper: “Drug compliance, co-payment and health outcomes: Evidence from a panel of Italian patients”.

2004 *Fifth European Conference on Health Economics* – London School of Economics, London, UK, September 8-11. Presented paper: “Health and Income Inequalities in Europe: evidence from microlevel longitudinal data”.

2003 *Summer School on Econometrics and Health Economics* – Menorca, Spain, September 8-12. Paper presented at the student session: “Health and Income Inequalities in Europe: evidence from microlevel longitudinal data”.

FURTHER INFORMATION

COMPUTER SKILLS

Very good knowledge of STATA, \LaTeX . Good knowledge of R, PYTHON, PASCAL, COBOL, LOTUS, PENTHAO, DOS, BASH, MS OFFICE. Very good skills in programming.

LANGUAGES

Mother tongue: Italian. Other languages: English (fluent), French (fluent).
