Corrections

To update listings or check citations waiting for approval, Fabrizio Balassone should log into the [RePEc Author Service](#)

To make corrections to the bibliographic information of a particular item, find the technical contact on the abstract page of that item. There, details are also given on how to correct references and citations.

To link different versions of the same work, where versions have a different title, email the respective handles to [Christian Zimmermann](#)

Please note that most corrections can take a couple of weeks to filter through the various RePEc services.

Did you know? IDEAS also computes [impact factors](#) for journals and working paper series.

This page was last updated on 2012-1-27.

This information is provided to you by [IDEAS](#) at the [Economic Research Department](#) of the [Federal Reserve Bank of St. Louis](#) using [RePEc](#) data.
